

About us

Elecsys International, LLC has been designing and manufacturing a full spectrum of rugged IloT and LCD technologies with unlimited user interface capabilities for nearly 30 years – all manufactured from our headquarters in Olathe, KS. From concept design to delivered product, the Elecsys team forms strategic partnerships to build custom technologies that give you a competitive advantage. Customer First Innovation. We inspire others and demonstrate courage to make a difference. We do what is right, not what is easy.

Aerospace Infrastructure

Vendor Information

POC: TERRI DAVIS, INSIDE SALES

PHONE: (913) 890-8813

EMAIL: Terri.Davis@elecsyscorp.com

WEB: www.elecsyscorp.com

DUNS: 087772406

CAGE: 58677

Primary NAICS Code: 334418

Printed Circuit Assembly (Electronic Assembly) Manufacturing

Secondary NAICS Codes: 334419, 336413, 488119, 488190, 541330 & 334413

INDUSTRY CERTIFICATION

ISO 9001:2015 Certified

ITAR Restricted

CAPABILITIES STATEMENT

Core Competencies

LCD

Dichoric, Helmimeier, Firt Minima, TN, STN/COLOR STN, TFT, HTN, FSTN, Flex Bonding

Electronic Manufacturing Services

Engineering Services, RoHS compliancy, selective and wave soldering, surface mount assembly, AOI inspection, Burn-In Testing, RoHS Wave and leaded wave solder capability, RoHS and leaded SMT capability, RoHS and leaded selective solder capability.

Differentiators

- Elecsys International custom displays are designed for the most demanding applications and harshest environments, all manufactured in one of only two LCD cleanrooms in North America.
- Whether you need ruggedization, unique shapes or LCDs for legacy programs, our state-of-the-art facility has the advanced technologies and manufacturing expertise to rapidly provide you with a full integrated and customized display or display module.
- Materials Management Programs / KANBAN
- Fine pitch components placement
- BGA placement
- Board sizes up to 16" x 14"
- 5 axis x-ray
- Conformal Coating and Encapsulation
- Seica Flying Probe test solution
- DLA Export Controlled Access Approval & JCP DD Form 2345

Past Clients Include
